

INDIAN SOCIETY OF GEOMATICS

President's Appreciation Medal for Contribution to the Society

CITATION

Dr. Alpana Shukla, born in Ahmedabad, on April 24, 1963, obtained her B.Sc. degree from Gujarat University with a Gold Medal, in 1983. After completing her Master's degree specialising in Environmental Biology, she completed her Ph.D. degree in Botany from Gujarat University in 1992. She started her career as a teacher at St. Xavier's College, Ahmedabad. She joined M. G. Science Institute, Ahmedabad in 1994 and currently is Head of Botany Department guiding students and professionals in the field of Botany, remote sensing and GIS applications.

Dr. Alpana Shukla is one of the most active members of the Indian Society of Geomatics and has contributed significantly towards its growth by organizing and popularizing various activities of the Society. She has motivated many members of the society, in particular students and academicians to participate in various activities. She has contributed in organization of various ISG conferences and has been active member of organizing committees. She is currently, Joint-Secretary of ISG Ahmedabad Chapter.

In order to meet the objectives of the society, she has put special efforts in organizing and popularising activities related to dissemination of Geomatics technology and its applications in various schools, colleges, NGOs and government Departments.

IN RECOGNITION OF HER OUTSTANDING LONG-TERM CONTRIBUTIONS TOWARDS POPULARISATION OF GEOMATICS TECHNOLOGY AND ITS APPLICATIONS, THE INDIAN SOCIETY OF GEOMATICS CONFERS THE "PRESIDENT'S APPRECIATION MEDAL FOR THE YEAR 2013" ON DR. ALPANA SHUKLA.
