National Geomatics Awards

Indian Society of Geomatics has instituted **two** National Geomatics Awards to be given each year for

- I. Original and significant contribution in Geomatics **technology**,
- II. Innovative **application(s)** in the field of Geomatics.

Each award comprises a medal, a citation and a sum of Rs. 25,000/-.

Guidelines for Nomination of the Candidates:

Areas of contribution considered for the award

1. Geographical Information System
2. Global Positioning System
3. Photogrammetry
4. Digital Cartography
5. Remote Sensing

Eligibility

Any citizen of India engaged in scientific work in any of the above-mentioned areas of research is eligible for the award.

- The awards are to be given for the work largely carried out in India.
- First award will be given for original contribution in the field of Geomatics supported by publications in a refereed journal of repute.
- Second award will be given for carrying out innovative application(s)
- The contribution for the first award should have been accepted by peers through citation of the work.
- Work based on the applications of existing technologies will not be considered for the first award.
- The work should have made impact on the overall development of Geomatics

How to Send Nomination
